STAGE 2 SIDEWALK POURS

Stage 2 sidewalk pours will begin on the south side of Melrose Ave between N San Vicente Blvd and Westbourne Dr on Monday, August 14, 2023. The concrete will be poured in segments to accommodate the large area and allow for pedestrian access. Concrete pouring at Gathering Space (Norwich to Huntley Ave) will commence at a later date. Concrete drying time is approximately 24 hours before pedestrians can utilize. Individual businesses will be contacted to confirm schedule and impacts.

- **Concrete will be poured in segments based on the (approximate) plan above. Actual pours may vary based on material delivery, crew, and speed of work.**
- **Additional pours for panels and decorative bands to be determined.**
- **Pedestrian walkways will shift to allow for pours and access.**
- **Approximately 24-hours of drying time.**
