

WORK ACTIVITIES & SCHEDULE

Construction activities to install utilities underground on N Almont Dr will continue through September 2024. Beginning July 31, 2024, construction to connect utilities to properties will take place across several areas of sidewalk.

This notice serves to provide updates related to sidewalk work and pedestrian walkway impacts.

SIDEWALK CONSTRUCTION DATE & TIME:

Wednesday - Friday, July 31 - August 2, 2024
8:00AM - 5:00PM

WHAT TO EXPECT:

- Clearly identified pedestrian detour in street with flagger on site to safely guide pedestrians.
- Individual pathways to business entrances will be delineated for access.
- For your safety, please obey flaggers directions.
- Open trenches in sidewalks will be protected with plates and sloped with asphalt for ADA compliance at the end of each work day.

TRAFFIC FLOW:

- Traffic will continue to flow north and south on N Almont Dr. with one lane in each direction.
- Left and right turns onto/from Santa Monica Blvd. will be permitted. Please obey traffic signs.

TRAFFIC CONES:

- Cones will be placed around the work zone to identify the construction area, maintain safety, and guide vehicles.

PARKING:

- Parking shall be temporarily restricted at some city parking meters to provide access to the work zone.
- Specific date and time of parking restrictions will be posted on each individual meter.

DRIVEWAYS:

- Driveways inside the construction zone will be granted access by crew as necessary.
- Crew will be onsite to guide vehicles into and out of roadway and driveways in the construction zone.
- Driveways inside the traffic control (cone) zone will remain accessible.

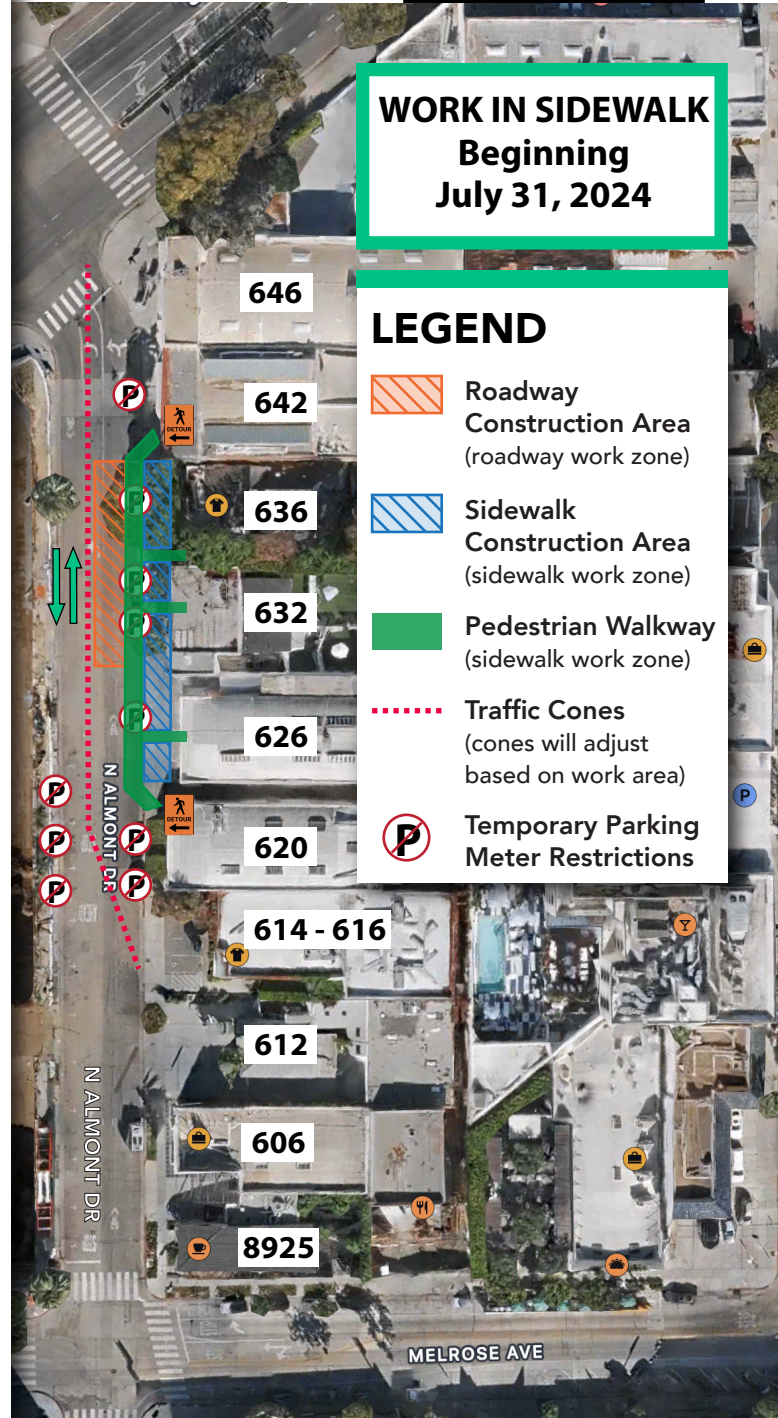

Please inform your customers to alert crew for access.

Please be aware that construction is a dynamic process and adjustments may occur to ensure efficiency and safety.
