WEHO | DESIGN DISTRICT STREETSCAPE

Phase 2B – Utility Undergrounding
(Almont + La Peer)

August 8, 2024

Schedule Look Ahead

Work in Public Right of Way

- Conduit installation in sidewalk will continue on Mon., August 12 & Tues. August 13, 2024
- Pedestrian pathway will be detoured with access to all businesses open.
- Sidewalks will remain covered with plates until concrete restoration in approximately 1-2 weeks.
- Businesses will be notified in advance of concrete pours.

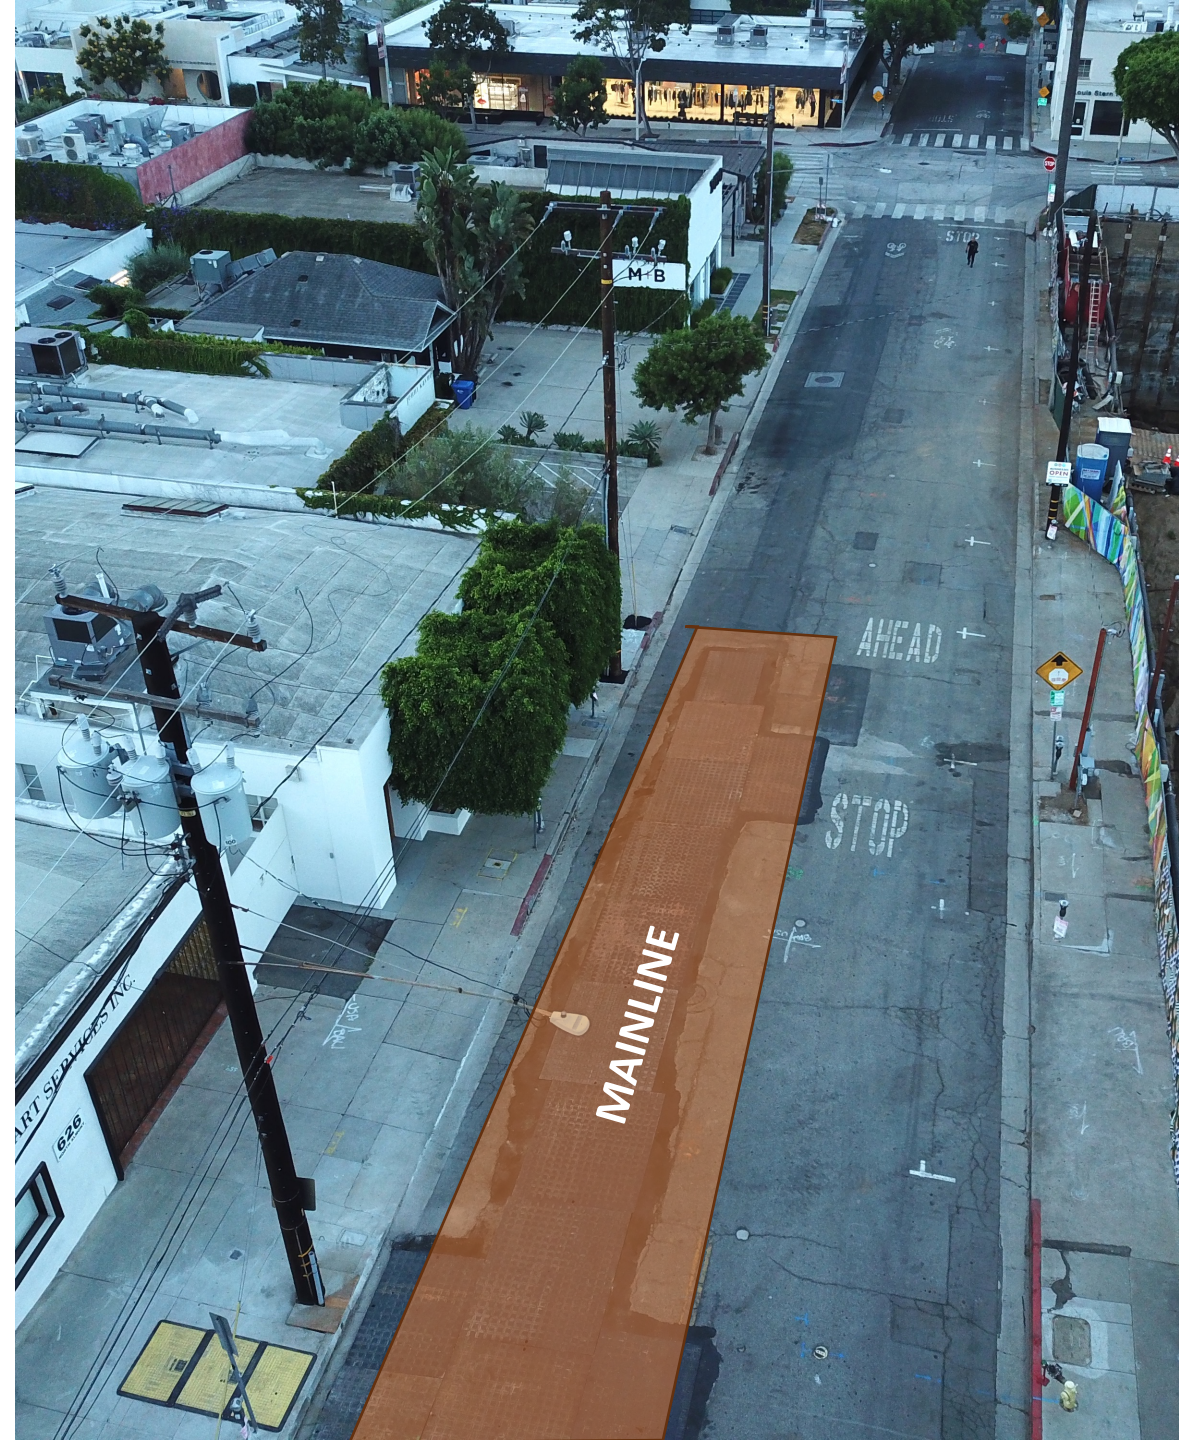

*Image discussion purposes only.
Not accurate traffic control plan.*

Schedule Look Ahead

Initial Asphalt Base Paving Friday, August 9 & 16, 2024

- Remove plates, fill trenches, pave over majority of mainline.
- Driveway access will be granted by contractor by placing plates over asphalt when necessary.
- Please alert crew for driveway access.

Schedule Look Ahead

Utility Work on West Side of Almont Dr. Wed. August 14 & Thur. August 15, 2024

- Work entails connecting utilities from mainline (in roadway) to curbs on west side of Almont Dr.
- Requires southbound lane closure.
- Two lanes of vehicular traffic will be shifted to the east side of Almont Dr.
- Northbound Almont will allow right turn only onto eastbound Santa Monica Blvd.
- Northbound Almont will allow right turns into business driveways. No southbound left turns into driveways.
- No stopping in traffic lanes.

Schedule Look Ahead

La Peer Construction

- Potential to begin mid-September
- Outreach meeting will be held prior to construction.
- Please register for bi-weekly meetings by scanning QR code below.

Bi-Weekly Outreach
Meeting Registration

Private Property Work

- 13 locations that require access to perform upgrades on private property.
- Must have property owner agreement and signature to perform work.
- No cost to property owner.
- Tenant coordination to schedule work and allow access.
- Team will reach out to businesses individually – your cooperation is appreciated!

Utility Company Work

- Utility shut-downs (cut-overs and tie-ins) will be scheduled by individual utility companies.
- Construction team will alert businesses of planned **outage windows** but precise outage times are not disclosed due to security measures.
- Sign up for planned and emergency outage alerts by visiting www.sce.com
