WORK ACTIVITIES & SCHEDULE

For approximately two weeks, construction will be conducted either on the west side or in the middle of N Almont Dr. as illustrated in the two scenarios. Work requires parking restrictions and a single lane closure in order to provide access to the work zone, maintain safety, and guide vehicles.

CONSTRUCTION DATE & TIME:

① Approx. August 19 - 21, 2024

② Approx. August 22 - 27, 2024

Monday - Friday, July - Sept. 2024 (overall duration)
8:00AM - 5:00PM

WHAT TO EXPECT:

- For approximately two weeks, construction will either take place on the west side or the middle of N Almont Dr. as shown in the two scenarios.
- Construction crew and equipment on site.
- Moderate noise from machinery.

TRAFFIC FLOW:

- Traffic will continue to flow north and south on N Almont Dr. with one lane in each direction.
- Please obey traffic signs and only turn when permitted.

TRAFFIC CONES:

- Cones will be placed around the work zone to identify the construction area, maintain safety, and guide vehicles.
- Local and customer vehicles will be permitted by flagger to enter driveway and private property unless notified in advance. Restrictions on city meters must still be obeyed.

PARKING:

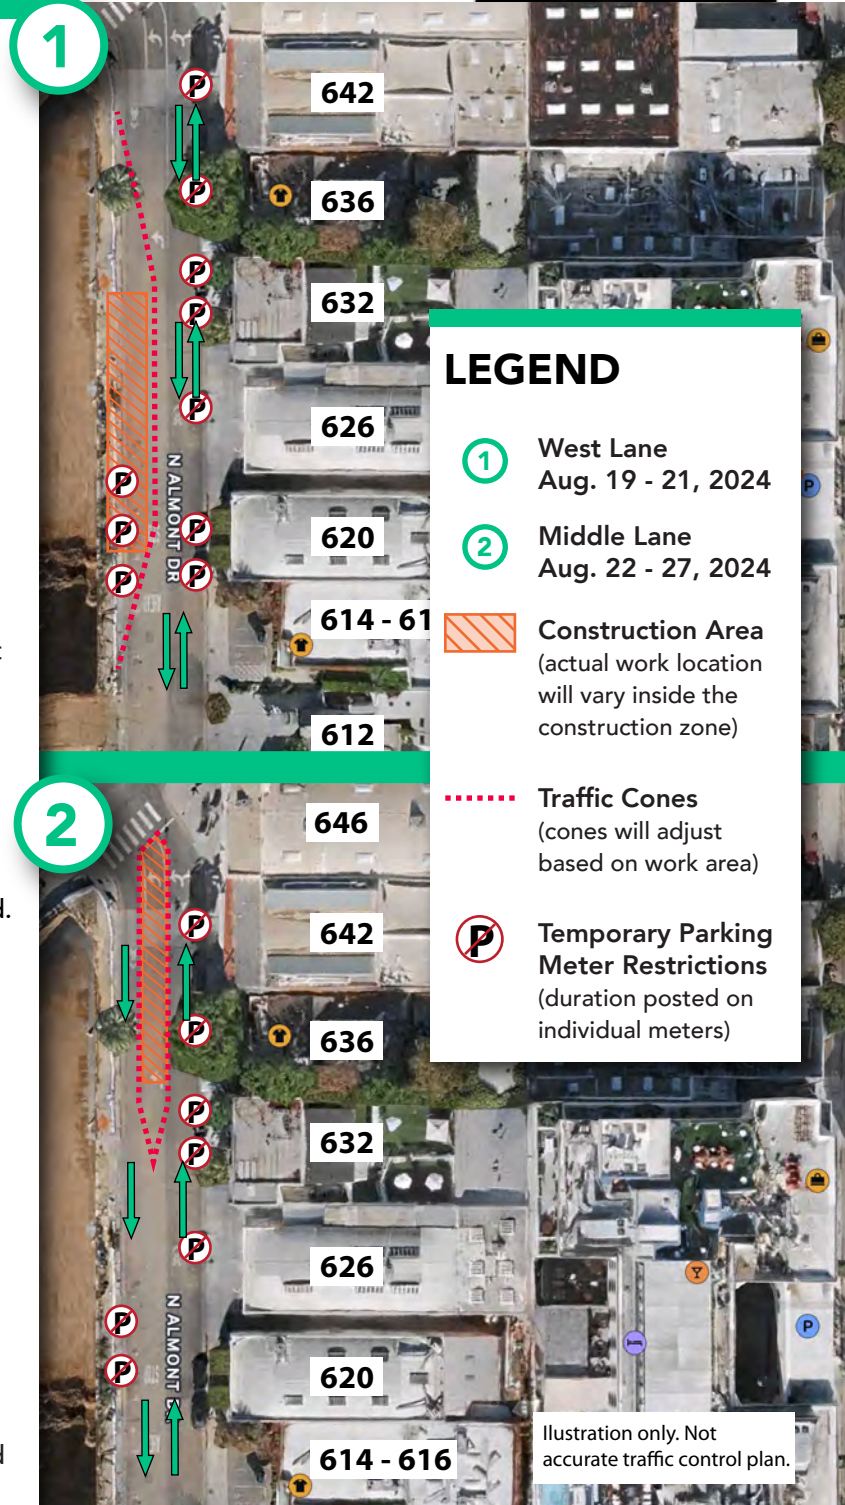

- Parking shall be temporarily restricted at some city parking meters to provide access to the work zone.
- Specific date and time of parking restrictions will be posted on each individual meter.

DRIVEWAYS:

- Driveways inside the construction zone will be granted access by crew as necessary.
- Crew will be onsite to guide vehicles into and out of roadway and driveways in the construction zone.

Please inform your customers to alert crew for access.

Please be aware that construction is a dynamic process and adjustments may occur to ensure efficiency and safety.
