

ROAD CLOSURES FOR VAULT INSTALLATION ON LA PEER

WORK ACTIVITIES & SCHEDULE

CONSTRUCTION DATE & TIME:

- **La Peer Road Closure (Day 4)**
 - October 29, 2024* | 8:00AM - 5:00PM
- *Anticipated Date(s)*

No construction will take place on October 31, 2024

WHAT TO EXPECT:

- For one day – **October 29, 2024** – La Peer Dr will be closed to through traffic to install utility vaults in the roadway.
- The road will be closed on the southern end of La Peer near Melrose Ave to set the southern vault in the morning.
- The road will be closed on the northern end of La Peer near Santa Monica Blvd to set the northern vault in the afternoon.
- Large cranes, trucks, heavy equipment, and construction crew on site.
- Moderate noise from machinery.

TRAFFIC FLOW:

- Local access only.
- Vehicles will be allowed drive on La Peer outside the closure but will be asked to make a u-turn and exit back the way they entered.
- Please inform your employees and customers that access to businesses will remain open and to request assistance from the crew if necessary.
- Please obey traffic signs and crew directions.

DRIVEWAY ACCESS:

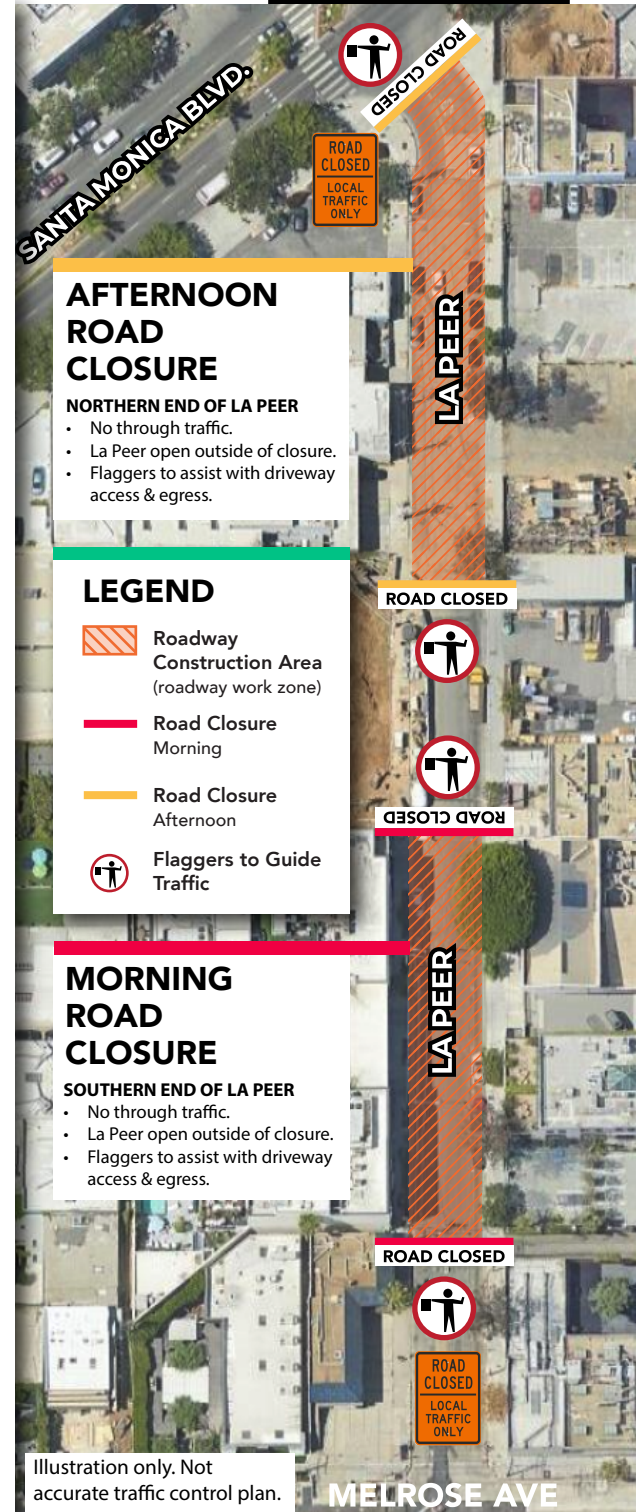

- Business driveways inside the construction zone will be granted access unless otherwise notified. Flaggers will be present to assist in access and egress.
- Turn directions out of driveways will be identified by flaggers and signage. Please obey traffic signs and crew.

PARKING:

- Parking shall be temporarily restricted at parking meters to provide access to the work zone.
- Specific date and time of parking restrictions will be posted on each individual meter.

Please inform your customers to alert crew for access. Pedestrian access within construction work zone will remain open. Please follow the posted signs and ask crew for assistance to access local businesses on La Peer.

Please be aware that construction is a dynamic process and adjustments may occur to ensure efficiency and safety.
